Powering Partnerships 2017 Annual Report

PAST'S GEOGRAPHIC REACH

PAST BY THE NUMBERS

2017 was a year of expanding partnerships and fully launching our PAST Innovation Lab R&D prototyping facility. Expanding our research and development projects as well as hosting events, we opened our doors to nearly 1,500 visitors.

Our accomplishments run far and deep. Here are some of the highlights:

- + **25%** Community partnerships +17
 - + **66%** Visitors to PAST Innovation Lab +9,900
 - 29** 29 events in nine months
 - + **39%** Students in programs +4,300
- 15,168 engaged educators with 150 community partners
 - Expanded online offerings: P3 Design, P3 Delivery & P3 Applied
 - Increased brand awareness national, state and local via website, communications and social media
 - Continued working with Metro ECHS Teachers to secure meaningful, real-world internship partnerships

“We look forward to further exploring innovative programs, content, partnerships into 2018. Join us on our adventure. Help us fulfill the ‘P’ in PAST; Partnering Anthropology with Science and Technology.”
